#### DISCUSSION ITEMS (5 mins each):

- a. Manure Sale - April 2nd. Dirt will arrive the night before. Looking for volunteers to help shovel and bag poop, as well as deliver. Volunteers will get some poop for their troubles.
  - Greg had fun shovelling poop
- b. Grade 7 Field Trip and Year End Ceremony
  - fingers crossed for relaxed covid restrictions. Discussion about potential day trips (bonding event at camp jubilee). Some proceeds of the manure sale will go towards the Grade 7 event, with the understanding that some of the Grade 7s help out with the poop shovelling. Pictures at the year end ceremony as well.
  - perhaps not hosting a lunch due to covid restrictions
  - something to consider is transport to Camp Jubilee. A bus would be an additional cost, so parent drivers would be the best.

MOTION by Joyce: Up to \$700 of PAC funds will go towards Grade 7 field trip, seconded by Gavi. Motion is passed.

- c. PAC Funded initiatives - Gymnastics, Other workshops-covered in Tamara's report
- e. Spring plans/Future activities/Sports Day - Sports Day is on Tamara's radar. Intention for PAC to cover lunch for Sports Day
- f. Other items - iPads
  - . MOTION by Joyce: for PAC to put money towards 10 school iPads and cases up to \$2700. Second by Gavi. Motion carried.
- g. Discussion about collecting recycling at the school. Could be a fundraiser for the school. Greg and Zoran have offered to volunteer.
